Reverse the existing creases so the flap is inside the model.

Monkey

31 Repeat steps 27-30 on the left side.

32 Make a sharp crease.

34 Narrow the sides.

35 Fold the head down.

36 Valley and mountain fold each side to make the ears.

37 Round off the ears.

38 The nose can be shaped by slightly 'inflating' the point.

39 Use simple valley and mountain folds to shape the arms.

40 Gently squash fold the hands.

41 Bend the legs into shape.

42 Twist the feet and spread the paper a little to make the feet wider.

44 Rabbit ear.

45 Give the tail a nice curve.
